Louisville

Price:

650.00 \$

The scooter is BRAND NEW. I bought it in 3/2019. It is garaged. Unfortunately about 2 months ago, i lost the keys. I had a mechanic try to switch the key switch for me but i did not get the right size of switch. so the scooter is now in the garage needing a new key switch. . I would like to sell the scooter because i don't want to be bothered with all the maintenance and upkeep Someone can get a really nice scooter for 1/4 of the price that I paid for it. I know that there are locksmiths in Louisville that work on scooters and charge 65.00 for the new switch. Price is negotiable.
